TASTING NOTES

With savory aromas and a deep luscious color, this much-loved wine strokes your palate with flavors of dark cherry, blackberry and cassis. The thick velvety texture gives way to toasty oak and finishes with just a hint of chocolate. Enjoy with your favorite grilled meats.

CATON VINEYARD NOTES

Located in the foothills of Sonoma Valley, the Caton Vineyard is defined by its sustainable farming and belief that healthier vineyards produce unique and distinctive wines. The vineyards have multiple sun exposures, soil types, and vary in altitude over 300 feet between each other. Our meticulous farming practices showcase the love for our land and our passion for the wines that come from it.

2020 VINTAGE NOTES

The 2020 harvest started with idealic growing conditions in Sonoma Valley. Temperature rose consistently through Labor Day while September brought high temperature spikes accelerating the last weeks of harvest. It took a unpredictable turn mid-August with wildfires leaving uncertainty around the county. Luckily, the early harvest allowed us time to pick the Caton Vineyard with quality fruit. This vintage resulted in smaller berries and concentrated fruit.

Ty Caton Vineyards is committed to producing the finest wines made from the highest quality grapes and winemaking dedication at its best. Our limited production allows us to handcraft wines with varietal intensity and balance.
