## 92 POINTS- WINE ENTHUSIAST-----

This wine is dense but also smooth and polished. It opens with aromas of rich black fruits and enticing oak spices before indulgent, fully ripe black plums, dark cherries, cocoa and mint flavors fill the mouth. The wine should be best through 2030. - Jim Gordon

## TASTING NOTES -----

The Estate Winemaker's Cuvée meets the palate with rich and full-bodied flavors of black currant, red plums, and cassis, followed by oak notes of cedar and vanilla. These dark flavors produce a lush and velvety textured mouth feel that combine with supple tannins and leads to a long silky finish.

## CATON VINEYARD -----

Located in the foothills of Sonoma Valley, the Caton Vineyard is defined by its sustainable farming and belief that healthier vineyards produce unique and distinctive wines. The vineyards have multiple sun exposures, soil types, and vary in altitude over 300 feet between each other. Our meticulous farming practices showcase the love for our land and our passion for the wines that come from it.

## 2021 VINTAGE NOTES -----

The 2021 harvest is reported to be one of the best vintages in recent harvests for Northern California. The ongoing draught presented some challenges -- limited rainfall and warm growing conditions throughout the summer months resulted in a speedy harvest with lighter yields. The conditions brought smaller berries with exceptional-quality and concentrated flavors.

*Ty Caton Vineyards is committed to producing the finest wines made from the highest quality grapes and wine-making dedication at its best. Our limited production allows us to handcraft wines with varietal intensity and balance.*
